Discussion: Thanks for your involvement and support of student organizations!

Not only does the Office of Involvement appreciate what you do as advisors as we understand that you serve as the teacher, the counselor, the liaison, and more, but it is easy to see that your help is much appreciated by the student org. leaders.

Thank you for contributing to our new SOARS program. Remember to use the involvement office as a resource whenever you have a question or would like some advice. We appreciate your attendance to the luncheons and remember to stay in touch during the summer break! Keep your eyes out for email updates and a continuation of SOARS in the fall.

Other Information

Announcements Our Next Luncheon: TBA in the 2008 fall semester.

Materials provided Certificates. Those advisors not at the luncheon will receive their certificate of appreciation in the next few weeks.
